Librarian's Report

The total spent for new books during the year was $533.77. One hundred and fifty-eight new books were purchased plus the **Compton's Encyclopedia** and **Goode's Atlas.** Several of these books as well as the encyclopedia were made possible by memorial gifts to the library.

Average weekly circulation for the past year was about 120 books, and the total number of books borrowed was 6,133, an increase of 776 over last year. The privilege of borrowing books is free to all residents of Swanzey.

The resignation of Mrs. Oliver Belding, who served very capably and faithfully as librarian for seventeen years, was accepted with regret by the trustees.

The Library hours have been increased to 4½ hours per week: Thursdays—2:30 to 4:30 p.m., 6:30 to 9:00 p.m.

Report of the Forest Fire Warden and Your District Chief

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and relinquishing of personel rights for the common good. it was the greatest demonstration of public co-operation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires. The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.

2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.

3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.

4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.
